### § 3715.0-9 Information collection.

(a) BLM has submitted to the Office of Management and Budget the information collection requirements contained in this subpart under 44 U.S.C. 3507 and the Paperwork Reduction Act of 1995 and assigned clearance number 1004-0169. BLM collects the information so that it may manage use and occupancy of public lands under the mining laws by prohibiting unauthorized uses and occupancies. A response to BLM is mandatory and required to obtain the benefit of occupying the public lands for reasonably incident activities.

(b) BLM estimates the public reporting burden for this information to average two hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Information Collection Clearance Officer (DW-110), Bureau of Land Management, Building 50, Denver Federal Center, Denver, Colorado 80225-0047, and the Office of Management and Budget, Paperwork Reduction Project, 1004-0169, Washington, DC 20503.
